Instructions:

1. Fold Calypso Coral card base in half.
2. Using the Shimmery White cardstock, lightly brush water over the center of the card with the Aqua Painter. Squeeze the Calypso Coral inkpad while closed so ink gets into the lid. Dip the Aqua Painter into the ink and paint Calypso Coral onto center of the cardstock. Let dry.
3. Stamp small hearts randomly around the center of the card using Calypso Coral ink. Adhere Shimmery White card stock to card base.
4. Stamp curved line onto the stitched circle three times, as shown, intersecting the top two lines.
5. Using Calypso Coral ink, stamp “Thank You” banner over lower curved line in Calypso Coral. Stamp other banners as shown.
6. Adhere stitched circle to the scallop.
7. Put two dimensionals on the Shimmery White card stock, approximately where the scallop circle will lay. Loosely wrap metallic thread in a large circle, adhering it to the dimensionals.
8. Adhere scallop over the metallic thread with additional dimensionals.
9. Add Rhinesones randomly over the card.
10. Enjoy!
